

## MRQ ACCOUNT MANAGEMENT

You will have 4 MRQ accounts:

- A M365 webmail account that will also allow you to access the MRQ Intranet
- An ActivateMRQ account for vessel logon & activations
- An aXcelerate account for your training
- An OffshoreSMS account for vessel SMSs, sea time and drills

The username for all of these will be your MRQ email *HOWEVER the password may be different for each of these*. You can use the same password for all of these accounts but this requires you to manually set up the same password on each of the 4 accounts. We strongly recommend using a Password manager to record which password you use for each MRQ account.

### **Initial Setup**

#### **M365**

You will be provided with a Microsoft 365 (M365) online webmail account, including a personal MRQ email address. Two emails - one with your MRQ Microsoft 365 log-in details and the other with your new password - will be sent to your personal email address. The emails will be sent from this email address: 1300.psaict@police.qld.gov.au and should have a subject line of something like: MRQ Volunteer – User ICT credentials – Email 1 of 2 (or 2 of 2) so keep an eye on your personal email inbox.

Once you receive your email details, follow the steps in the information that will be provided to set up your new MRQ account. Your MRQ account and login will also give you access to a range of MRQ information and resources via the MRQ Intranet.

#### **ActivateMRQ**

Follow this link for information on setting up your ActivateMRQ account:

### ***aXcelerate***

Within seven days of your MRQ email address and IT credentials being established, you will receive an important email. The email will go to your MRQ email address (ie @mrq.qld.gov.au) and provide step-by-step instructions for how to create your new MRQ account in aXcelerate.

### ***OffshoreSMS***

Download the OffshoreSMS app and create a free account using your MRQ email. Follow the prompts in the app.

### **Ongoing M365 Account Help**

If your Unit Support Members are not available or unable to assist, contact the QPS HelpDesk by calling: 1300 772 428 - just listen to the prompts and select the option for MRQ when you call.

More information to be included here on email setup soon.
