

VESSEL INDUCTION on OffShoreSMS

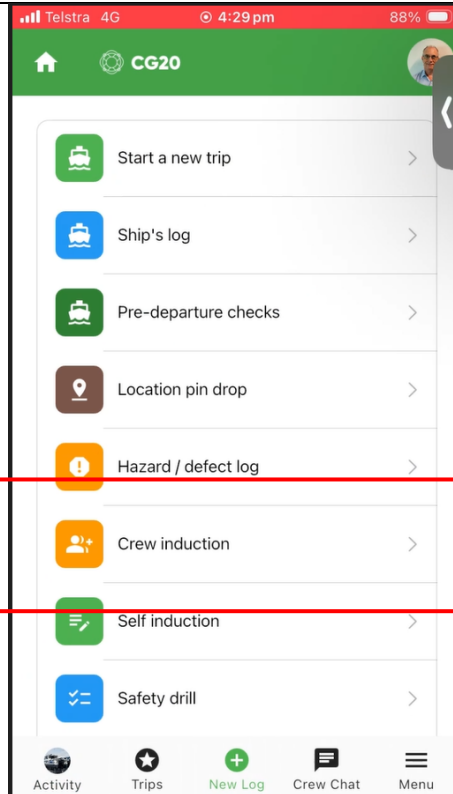

Select the vessel that you are performing the induction on.

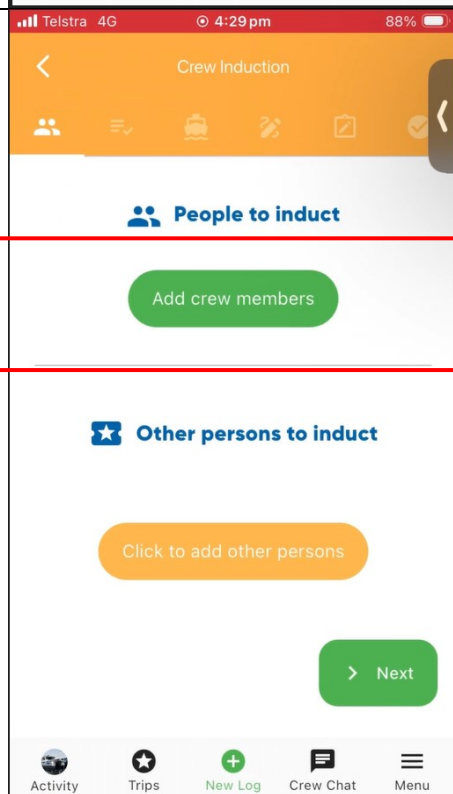

Click on **New Log**

Click on **Crew Induction**

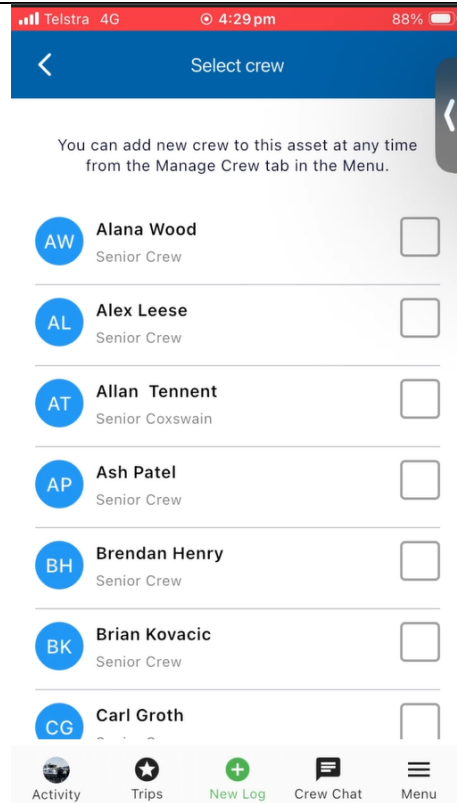

Click on **Add crew members**

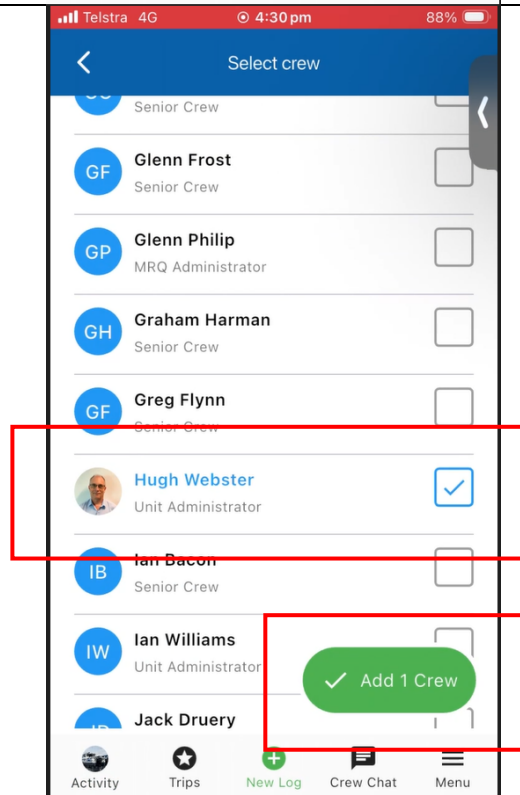

Select the crew members doing the induction

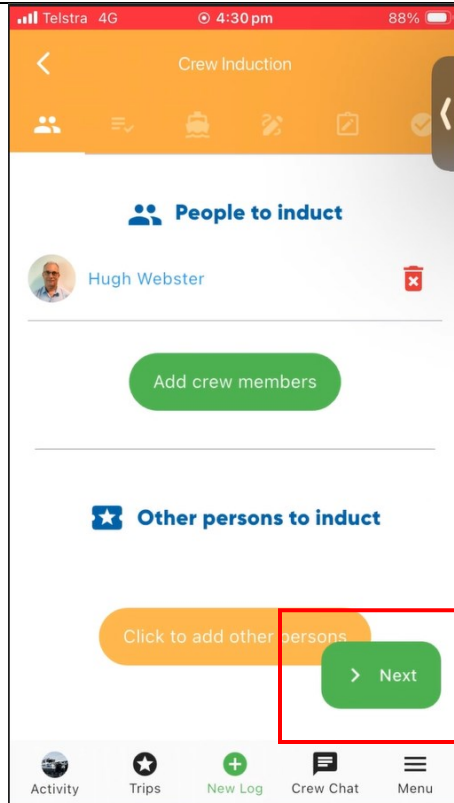

If you are the only person, make sure you select yourself!

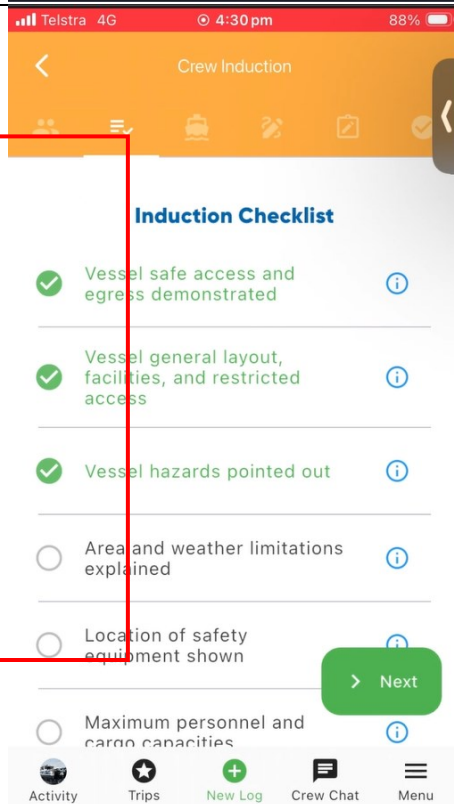

Click on **Add crew**

Click on **Next**

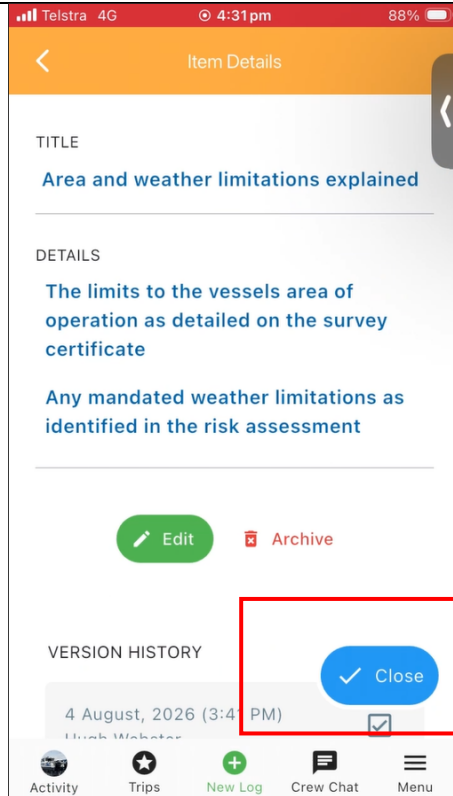

Perform the induction, clicking on each step as you go

Press on **i** next to each step for more information

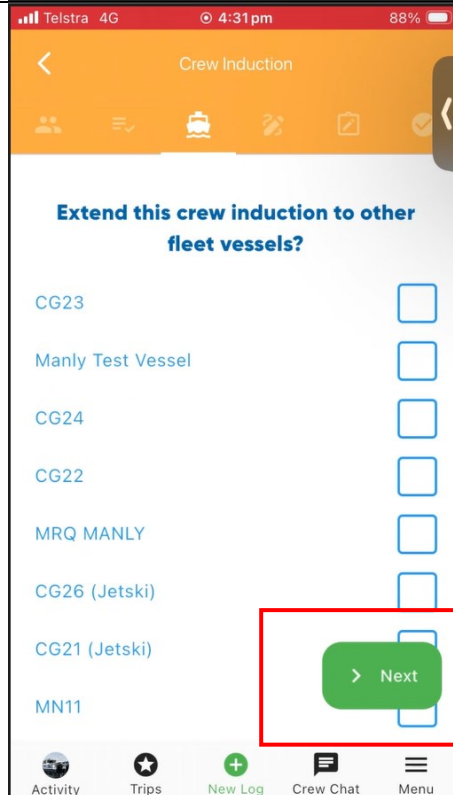

Click **Close** to return to the checklist

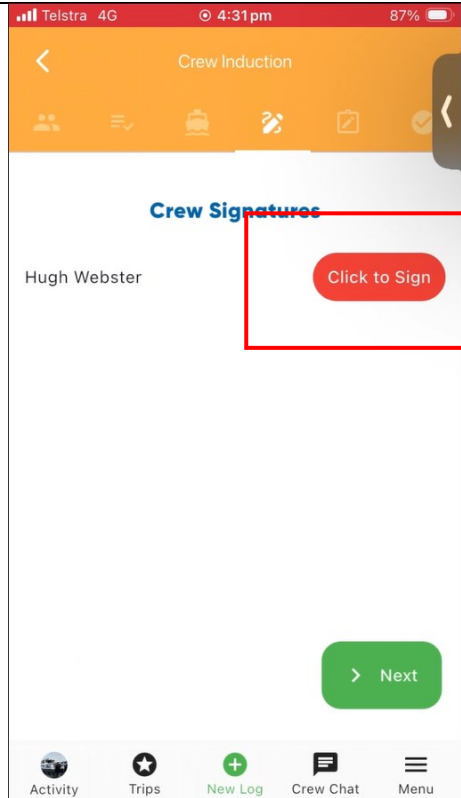

Do not select any other vessels, since the induction is different for each vessel.

The only exception is the jetski induction, in which case select both jetskis.

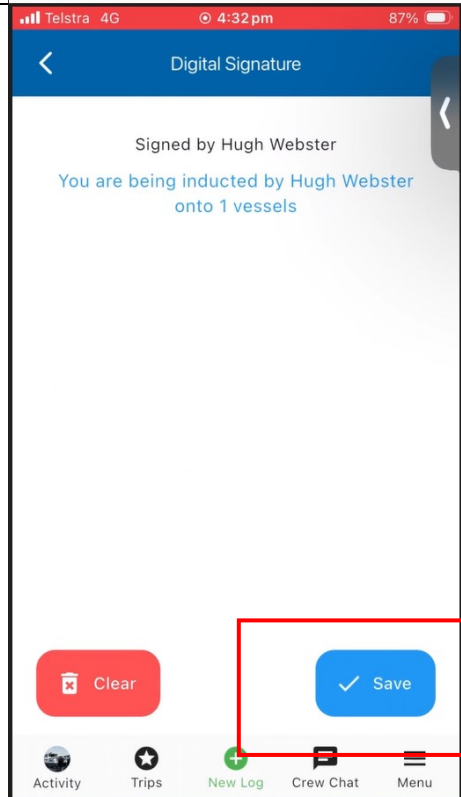

Click **Next**

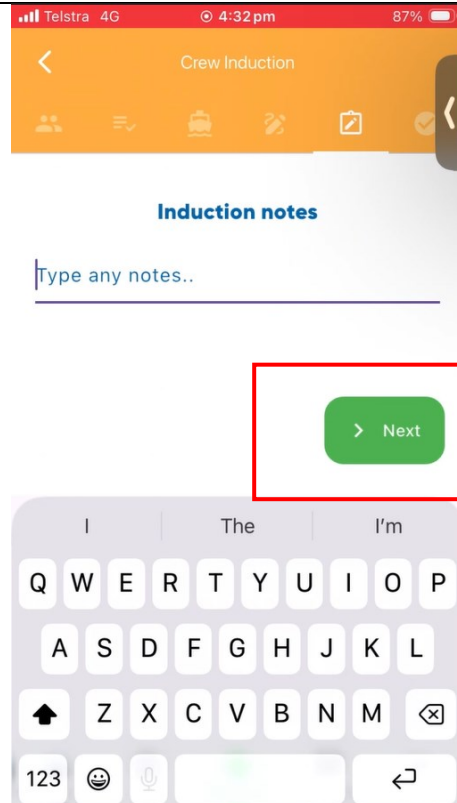

Click on the **Click to sign** for each crew member. This initiates a digital signature process.

Click on **Save**

Click **Next**

Click **Save and Finish**
